SUBJECT: It Pays To Have Prepared Drivers!

Recently, Robert D. Haas was driving one of Shenandoah AAA's WellTran vans. A client who was being transported to a medical appointment suffered a heart attack. She had no pulse. Mr. Haas performed CPR until EMS arrived. Because of Bob's heroic efforts the client recovered and is fine. Mr. Haas, who goes by Bob, was also recently recognized by the Shenandoah County Board of Supervisors for his actions in saving the life of one of their citizens. Bob has since been promoted to SAAA's Director of Transportation.

Congratulations to Bob Haas and his clients!

SUBJECT: More Information about the Older Americans Act Reauthorization Forum

The Administration on Aging is soliciting input concerning the reauthorization through three mechanisms: (1) AoA-Convened Listening Forums; (2) OAA Reauthorization Input Events; and (3) Direct Input via the AoA Website. The forum will convene from 9:00 a.m. to 4:30 p.m. on Thursday, February 25, 2010 in Washington, DC at the Westin Alexandria-DC, Alexandria, VA, 400 Courthouse Square in Alexandria (703-253-8628). The discussion topics for each session are: (1) Elder Rights and Elder Justice; (2) Prevention & Wellness – Healthy Aging; and (3) Aging Network Infrastructure for Serving Diverse Needs. The Washington DC forum will also include a fourth category, Capacity of the Aging Network.

Following the panel sessions, each forum will host a general session to allow participants to present their views on the reauthorization of the OAA. In order to provide as many people as possible the opportunity to offer input, each participant will be limited to three minutes. Persons planning to make presentations during the general session should pre-register with Abbe Lackmeyer, 866-598-0102, linscoae@muohio.edu to reserve a time slot. If all slots are not filled through pre-registration, a limited number of on-site time slots may be available.

Also, OAA Reauthorization Input Events may be held by any national, state, tribal, regional or local organization. These can range from workshops, board meetings, public forums, or conferences designed to solicit public input regarding issues to be considered during the next reauthorization of the OAA. SUBJECT: MOWAA's Pledge: End Senior Hunger by 2020

A groundbreaking research study found that as of 2007, there were nearly 6 million seniors facing the threat of hunger. Meals on Wheels Association of America's (MOWAA) goal is to match that number – with 6 million people who are willing to stand up and pledge to do what it takes to end senior hunger.

This is our movement. Will you Take the Pledge?

On May 26, 1961, President Kennedy set a rather ambitious goal for our country. He announced that his vision was for us to send an American safely to the Moon and return safely back to Earth before the end of the decade. Not an easy thing to do. To some of us, it seemed impossible, right? But by 1969, we got there. The President's vision became a reality. And ending senior hunger in America by 2020 can become our reality. All we need is the leadership and will power to get it done.

MOWAA's Pledge: End Senior Hunger by 2020
February 17, 2010
Page 2 of 2

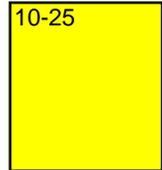

You can be a leader in this national movement by volunteering for a local Meals On Wheels program, generating awareness about the problem of senior hunger in America, making a donation, supporting Meals On Wheels programs in their fundraising efforts, sharing your thoughts on how we can end senior hunger together by 2020 and by doing anything else that you can to provide The Next Meal "so no senior goes hungry."®

Will you join us?
