2. Richard Bland College offers Senior Citizens the following:

- Community Chorus
- Community Wind Ensemble
- Seniors in non-credit classes (audits)
- Access to Library Resources
- International Forum Programs and receptions
- Availability of Community Room
- Availability of Water Garden
- Community events in Pecan Grove

3. Richard Bland College offers Senior Citizens the opportunity to continue their education by taking classes for credit or non-credit.
4. All College information is available on our Richard Bland College website which is senior-friendly.
5. We currently have three employees that will be retiring within the next year. These positions will be filled from recruitment and from within. The positions filled from within will be due to promotions and transfers from other departments. We have been using retirees as wage staff which has helped salary savings. With the above employees retiring this will not affect the loss of leadership or institutional knowledge in various programs.
6. Our agency plans to continue to provide access to programs and services that promote community enrichment. With this implementation it will also address the impact of the aging of Virginia's population.
